

VAJRAA

Well engineered products

Compatible with all tractors.

High Quality performance

Low Maintenance

Digitally Connected

Rigid Tyne Cultivator

TOP FEATURES –

- The cultivator loosens and aerates the soil to a depth of 9 inches.
- Precisely designed tynes ensure that the tiller penetrates the land effectively with minimum load on the tractor.
- This heavy duty tiller is designed for toughest operation and suitable for various soil conditions.
- It pulverizes the top soil, uproots stubbles and makes it ready for seeding.
